

PREFERRED SUPERANNUATION FUND

First Super is an industry super fund. We welcome all Australians regardless of their occupation or location. First Super was founded when three industry super funds merged in July 2008: the Furniture Industry Retirement Superannuation Trust, the Pulp & Paper Workers' Superannuation Fund, and the Timber Industry Super Scheme.

We are proud of this heritage.

Our products and services are designed to meet the needs of our members, employers and communities within these industries.
