PRODUCTS AVAILABLE

Tilling Timber is the home of SmartFrame products and services, including:

- **SmartFrame Design Centre**, offering free design services for fully engineered floor systems.
- **SmartJoist**, Australia's largest range of timber I-Joist available with pre-cut penetrations for services.
- **SmartLVL15**, the lightest and strongest LVL offering in Australia.
- **SmartLam**, GL13, GL17 and GL18 glue laminated beams.
- **TecBeam**, a hybrid steel and LVL I-Joist supporting large spans, commercial loading, concentrated loads and cantilevers.
